

### Ceramic Heater Element For Toilet Seat Bidets

GREENWAY Ceramic Heater Element for Toilet Seat Bidets with Hot Water Washlets Alumina heaters are used to heat water for bidet-toilets.

Model:water7788

### Ceramic Heater Element for Toilet Seat Bidets

GREENWAY Ceramic Heater Element for Toilet Seat Bidets with Hot Water Washlets Alumina heaters are used to heat water for bidet-toilets.

- Rapid heat up
- Electrical insulation
- Miniature / High power
- Superior Thermal Properties
- Custom designed temperature distribution available
- High levels of insulation allow direct contact with water, kerosene and metal
- High Reliability
- Superior dielectric strength and electrical insulation
- Longer life due to oxidation-proof design on resistivity material

Configuration and Dimension							
Shape	Dimension	Tolerance		Tolerance		Tolerance	Resistance Tolerance
Plate	Length (mm)		Width(mm)		Thickness(mm)		
	10~120	① ≤20+/-0.3 ② ≥20+/-1	2~60	① ≤20+/-0.3 ② ≥20+/-1	0.55~2.0	① ≤1+/-0.1 ② ≥1+/-0.15	+/-10%
	length		Diameter				
Rod	8~121	① ≥30mm:+/-0.5 ② 30~100mm:+/-1.0	2.5~8	① ≥5mm:+/-0.1 ② 5~9mm:+/-0.2			+/-10%
Tube	8~121	③ ≤100mm~:+/-1.5	2.5~20	③ ≤9mm~:+/-0.3			+/-10%

### Dimension limit for Ceramic Heater Element for Toilet Seat Bidets

Ceramic Heater Element for Toilet Seat Bidets used as a water heater for bidet toilets to warm the water before showering. Due to quick heating functionality, the preheating tank can be removed,

contributing to space savings and power consumption reduction. In addition, the high watt density of the alumina heater also contributes to the miniaturization of the heater unit itself.

### Our services

Pre-sale services:

1. Providing professional technical support.
2. Send the product catalog and instruction manual.
3. If you have any question PLS contact us online or send us email, we promise we will give you a reply at the first time!

E-mail: [service@xmgrwy.com](mailto:service@xmgrwy.com)

Skype: cassie.luo1 TEL:86-592-3327868

Telephone no.(wechat:18250806048)

4. Personal call or visit are warmly welcome.

Sale of services:

1. We promise honest and fair, it's our pleasure to serve you as your purchasing consultant.
2. We guarantee punctuality, quality and quantities strictly implement the terms of contract.

After-sales service:

1. Where to buy our products for one-year warranty
2. 24-hour telephone service.
3. A large stock of components and parts, easily-worn parts.
